

SAFETY BRIEF

Help keep yourself and your team safe during cleanup efforts

USE PROTECTIVE GEAR:

- Work gloves
- Closed-toed shoes with hard soles
- Long pants
- Sunglasses
- Sunscreen
- Hand sanitizer

PRACTICE OUTDOOR SAFETY:

- Look out for snakes, insects, poisonous plants, and other wildlife
- Stay hydrated and take breaks
- Be weather-aware (watch for changing weather conditions)

If you discover **hazardous materials**:

Contact your state's department of environmental and public health, pollution control or like agency

The event organizer should keep contact info on-hand

Do not attempt to handle or dispose of hazardous materials on your own

DO NOT HANDLE:

- Drums or containers that may contain toxic waste
- Needles or other biohazard waste
- Weapons, ammunition or explosives

HANDLE WITH CARE:

- Broken glass
- Aerosol cans
- Gas cans and other containers with chemical residue or traces of volatile materials
